

Double Enders & Double Ended Dildos

Although they can look rather intimidating, double-ended dildos – ‘[double-enders](#)’ - are **magnificent [adult sex toys](#)** that not only ‘do the business’, but also offer genuine intimacy between partners and also a unique [masturbation](#) experience for women. They can be a bit tricky to use in the first instance, but with a little practice comes a whole lot of joy!

Also known as a ‘double dong’, a classic double-ender is essentially one long shaft with moulded penis heads at each end. It is **flexible but sturdy** for all manner of extremely exciting sex action, whether solo or with a partner. Double-enders vary in size from small and ‘manageable’ right through to a whopping 25 inches for the experienced!

You don’t need to stretch the imagination too far to identify the delicious uses for double-enders! A woman can use one for **simultaneous [vaginal and anal penetration](#) in [masturbation](#)**; women in a [Sapphic relationship](#) can receive **mutual penetration** by taking one end each - either both **vaginally or anally**, or one end in a vagina and the other in the anus; two men can receive simultaneous anal stimulation; a woman can have it in her vagina while her male partner takes it in his anus. In other words, the double-ender is one **ingenious, multi-faceted [sex toy](#)**!

As we say, [double-ended dildos](#) can be difficult to use for beginners, but you will certainly have fun in nailing the technique! It may slip out of one partner or the other (or both), as you get used to the thrusting rhythm that you are most comfortable with in order to use it to its maximum effect. Using lubrication is pretty much essential, adding to the pleasure and aiding slicker movement as you explore the wonders of your new [sex toy](#).

Amongst the [naughtybitsandbobs.com](#) range of double-ended dildos, you will find the extraordinary [Feeldoe Dildo](#) and [Feeldoe Slim Vibrating Dildo](#): these models are absolutely **top-of-the-range** and have become massive favourites with us and our customers alike.
